

**CNG SPECIAL 20W-50 API CF/SF****HIGH PERFORMANCE GAS ENGINE OIL****DESCRIPTION**

Veedol CNG Special 20W-50 is a superior quality high performance gas engine oil formulated with highly refined mineral base oils and specially selected additive package delivering high thermal stability for longer protection of engine components.

Veedol CNG Special 20W-50 is specially developed for automotive engines operating with CNG and LPG as fuels.

**PERFORMANCE SPECIFICATIONS**

Meets & Exceeds performance requirements of

- API CF/SF

**APPLICATIONS**

Recommended for CNG and LPG operated engines in buses, taxis, LCV's, cars and three wheelers (with 4 stroke engine).

**FEATURES/BENEFITS**

- Higher oxidation and nitration resistance ensures longer drain with minimum top-up requirements.
- Excellent thermal stability.
- Reduced soot levels at high temperatures.
- Keeps engine cool.

**CHARACTERISTICS**

| Test Parameter                   | Test Method | Typical Value |
|----------------------------------|-------------|---------------|
| Kinematic Viscosity @ 100°C, cSt | ASTM D 445  | 18.5          |
| Viscosity Index                  | ASTM D 2270 | 126           |
| Flash Point, (COC) °C            | ASTM D 92   | 244           |
| Pour Point, °C                   | ASTM D 97   | -24           |
| CCS Viscosity @ -20°C, mPa.s     | ASTM D 5293 | 9000          |
